Gifted Students of All Ages Love Learning Edward de Bono's Six Thinking Hats and CoRT Thinking Tools

"Equipping students to become excellent lifelong thinkers."

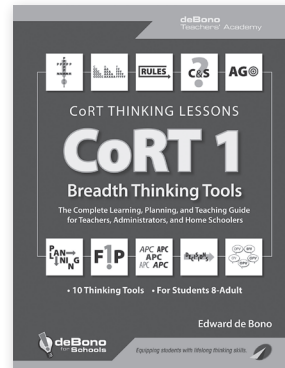

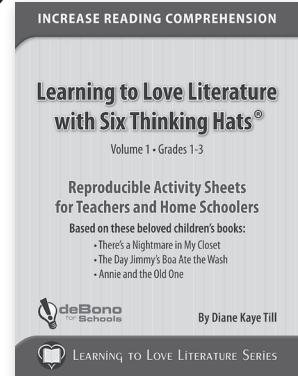

FLASH!

The Official de Bono School Materials Are Now Available in North America K-College

Teach Your Students How to Think:

- Host a de Bono Academy Professional Development program for teachers, administrators, and board members.
- Start a Learning to Love Literature with Six Thinking Hats program K-6.
- Include in MBA programs. Equip students to be thorough thinkers and create the next benchmarks for business excellence.
- Embed the tools in any curriculum subject to help students learn to think about what they are learning, rather than just memorize the facts for test taking.
