

FOR IMMEDIATE RELEASE

**MARGARITA DE LA FUENTE OF TRENOVA, S.C. TO LEAD DE BONO FOR  
SCHOOLS PROGRAMS IN MEXICO**

Glendale, Calif., September 15, 2009--The Opportunity Thinker announced today that Margarita De La Fuente, located in Monterrey, Mexico, is leading de Bono for Schools programs conducted in English and Spanish in Mexico. Contact Margarita at [margarita@trenova.com.mx](mailto:margarita@trenova.com.mx) . She will work with you to help you integrate Six Thinking Hats and CoRT thinking tools at your school and ensure you receive the appropriate school materials.

In 2001 Margarita was introduced to de Bono thinking tools and has since become an expert facilitator, consultant, and trainer of CoRT, Six Thinking Hats, Focus on Facilitation, Lateral Thinking, and Six Value Medals.

Trenova, S.C., the company she currently leads, helps people strengthen their idea generation and problem solving skills. She is highly regarded for her expertise with innovation systems, innovation process management, and consumer driven product development.

A biochemical engineer by profession, Margarita has been a professor at ITESM Mexico. Her education includes post-graduate studies at ITESM (Mexico), IATA (Valence, Spain) and IPNO (Tenerife, Spain).

Dr. Edward de Bono is credited with creating the most widely taught thinking skills curriculum for school children in the world. India, Singapore, Hong Kong, and the UK are examples of countries where students are learning de Bono thinking tools as one way to help prepare them to be productive world citizens.

The Opportunity Thinker is the official publisher of de Bono school materials in North America. For more information contact Lynda Curtin at [info@LyndaCurtin.com](mailto:info@LyndaCurtin.com) or go to <http://www.deBonoForSchools.com>.
